

Annual Meeting and Elections

will be held Thursday, April 24th, 2025 at the Links of Northfork Golf Club starting at 7pm. Besides the usual topics, this year there will be an update on progress towards saving for tennis court repairs. Last year, voter turnout was 62/274 (23%), with just 37 (14%) households attending the meeting. If you have not already received one, you will soon be receiving a ballot in the mail. Please vote. Your participation makes a difference.

Kurt Kettner Resignation

Kurt has submitted his resignation from the Board effective April 24. Consequently, one of the two open Board seats being filled on at the April 24 homeowners meeting will be for the two years remaining in his three year term. The other open seat will be for a full three year term. Unless the two winners of the election agree otherwise, the candidate receiving the most votes will fill the three year term and the other will complete the two year term. Kurt remains President until his seat is filled as the election results are announced at the meeting. The Board will select a new President at the first Board meeting after April 24.

SPRING & SUMMER ARE APPROACHING

And with it yard work. Some information on oak wilt and two-lined chestnut borer are top of mind. Please remember to only trim oaks in the off season - not after April or before September. There is a link on our website to the city of Ramsey's information page. We also have some information from last year's annual meeting guest arborist in the 2024 minutes that highlights information on the two-lined chestnut borer. Please login to view that information as well.

DID YOU KNOW...

Northfork has a Little Library located at the trail entrance off of 162nd Land NW. The little library is for **all ages** and includes **magazines**. Next to the little library is the rules about pet etiquette and waste bags for picking up your dog's poo. Beyond that posting is a bench and both a recycle and waste receptacle. When walking the trails feel free to use one of the waste bags to pick up any liter along the way. Help keep our trails clean.
